

Small High Pressure Die Casting Parts Hardware Professional Precision Metal Service

Our Product Introduction

for more products please visit us on caindustrialparts.com

Basic Information

- Place of Origin: China
- Certification: ISO9001:2015
- Minimum Order Quantity: 1000pcs
- Price: Negotiable
- Packaging Details: Carton and wooden case
- Delivery Time: 35-45 days
- Payment Terms: T/T, Paypal
- Supply Ability: 100000pcs

Product Specification

- Material: Aluminium ADC12
- Surface Treatment: Non
- Tolerance: +/-0.1MM
- Weight: 500g/pc
- OEM: Available
- Color: Natural
- Highlight: **parts of die casting machine,
high pressure die casting parts,
die casting small parts**

Product Description

Custom Hardware Professional Precision Metal Die Casting Service

Name	Custom Hardware Professional Precision Metal Die Casting Service
Die Casting Mould	Profound Experience
Material	Aluminium 360
Surface Treatment	Non
Tolerance	+/-0.1MM
Weight	120g/pc
Certificate	ISO9001:2015
OEM	Available

Description:

Die casting is a metal casting method that involves pouring molten metal into a mold cavity so that it solidifies to take up the shape of the mold. This technique of metal forming allows versatility in part size and shape, even for complex shapes with internal cavities or hollow sections.

Advantage:

- 1.It is lightweight and very stable for complex shapes and thin walls
- 2.It has high thermal and electrical conductivity.
- 3.it has good corrosion resistance.

Application:

Automotive, Aerospace, Energy, Electronics, Construction, Engineering, and Medical.

Company profile:

C&A Industrial Component Ltd. Is a China based manufacturer of custom made metal components, hardware, fittings, valves, PVC products, etc. We have over 20 manufacturing facilities that we collaborate with in China. Manufacturing process: pressure die casting, machining, stamping and etc.

Most of the facilities are Certified with ISO9001, TS16949, and etc.

Our manufacturing facilities are located in Zhejiang area and Jiangsu area with a USA sales office for our North American Customers.
