

## Process Die Casting Components Supplier Aluminum Alloy Components

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Certification: ISO9001:2015
- Minimum Order Quantity: 550pcs
- Price: Negotiable
- Packaging Details: Carton and wooden case
- Delivery Time: 35-45 days
- Payment Terms: T/T, Paypal
- Supply Ability: 100000pcs

#### Product Specification

- Material: Aluminium
- Surface Treatment: Non
- Tolerance: +/-0.8MM
- Weight: 550g/pc
- OEM: Available
- Color: Natural
- Highlight: **die casting process, die casting components, die casting components supplier**

## Product Description

### Precision Customized Aluminum Alloy Components Custom Fabrication Service:

Name	Precision Customized Aluminum Alloy Components Custom Fabrication Service
Die Casting Mould	Profound Experience
Material	Aluminium
Surface Treatment	Non
Tolerance	+/-0.8MM
Weight	550g/pc
Certificate	ISO9001:2015
OEM	Available

#### Description:

Aluminium casting is one of the fastest and most precise high-pressure die casting processes. The recovered aluminium die is well-textured, has high hardness, goods corrosion resistance. and requires minimal surface finishing.

#### Advantage:

1. Aluminium being a lightweight alloy allows making lightweight parts without compromising their strength.
2. it has the versatility to produce thin-walled simple or complex-shape parts with good precision
3. Aluminium cast parts are well textured or smooth depending on the requirements
4. Since the process is very fast, it allows producing tens of thousands of parts in less time and cost.

#### Application:

Automotive, Aerospace, Energy, Electronics, Construction, Engineering, and Medical.

#### Company profile:

C&A Industrial Component Ltd. Is a China based manufacturer of custom made metal components, hardware, fittings, valves, PVC products, etc. We have over 20 manufacturing facilities that we collaborate with in China. Manufacturing process: pressure die casting, machining, stamping and etc.

Most of the facilities are Certified with ISO9001, TS16949, and etc.

Our manufacturing facilities are located in Zhejiang area and Jiangsu area with a USA sales office for our North American Customers.
