

CNC Turning Parts High Precision Metal Cnc Lathe Machine Parts Components

Our Product Introduction

Basic Information

- Place of Origin: China
- Certification: ISO9001:2015
- Minimum Order Quantity: 2000pcs
- Price: negotiable
- Packaging Details: Carton and wooden case
- Delivery Time: 30-35 Days
- Payment Terms: T/T, Paypal
- Supply Ability: 10000pcs

Product Specification

- Material: Steel
- Surface: Oxidation
- Tolerance: +/-0.05mm
- Weight: 200g/pc
- Process: Machining
- Color: Blue
- Certification: ISO9001:2015
- OEM: Available
- Highlight: **cnc machined components, cnc lathe parts, cnc lathe machine parts**

Product Description

CNC Turning Parts High Precision Metal Aluminum Lathe Part Machine Part:

Name	CNC Turning Parts High Precision Metal Aluminum Lathe Part Machine Part
Material	Steel
Surface treatment	Non
Tolerance	+/-0.08mm
Process	Machining
Certificate	ISO9001:2015
OEM	Available
Color	Natural

Description:

Machining parts can be metal or plastic, but they must be made from a material that can be cut without drastically deforming.

Advantage:

1. In order to evaluate a new design, it is relatively easy to make prototype parts. there is no investment in tools and molds needed.

The total cost of machined prototypes is low.

2. Tacking in account some basic design for fabricating parts, the freedom of designing machined parts is huge. More specific, it allows all kinds of shapes, even curved surface.

3. Machining represents a highly cost-effective process for finishing some limited production runs. while generally more labor intensive than some other processes, it usually contributes value to the finished goods

Application:

aerospace, medical, Automotive, and consumer products.

Company profile:

C&A Industrial Component Ltd. Is a China based manufacturer of custom made metal components, hardware, fittings, valves, PVC products, etc.

We have over 20 manufacturing facilities that we collaborate with in China. Manufacturing process: pressure die casting, machining, stamping and etc.

Most of the facilities are Certified with ISO9001, TS16949, and etc.

Our manufacturing facilities are located in Zhejiang area and Jiangsu area with a USA sales office for our North American Customers.
