

## Auto Brass Aluminum Die Casting Manufacturer Mechanical Parts Zinc Die Casting Components

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Certification: ISO9001:2015
- Minimum Order Quantity: 500pcs
- Price: Negotiable
- Packaging Details: Carton and wooden case
- Delivery Time: 35-45 days
- Payment Terms: T/T, Paypal
- Supply Ability: 100000pcs

#### Product Specification

- Material: Zinc
- Surface Treatment: Non
- Tolerance: +/-0.5MM
- Weight: 450g/pc
- OEM: Available
- Color: Natural
- Highlight: aluminum die casting manufacturer,  
auto die casting, brass die casting

## Product Description

### Customized Mechanical Parts Zinc Die Casting Components:

Name	Customized Mechanical Parts Zinc Die Casting Components
Die Casting Mould	Profound Experience
Material	Zinc
Surface Treatment	Non
Tolerance	+/-0.8MM
Weight	450g/pc
Certificate	ISO9001:2015
OEM	Available

### Description:

Die casting is a metal casting process that is characterized by forcing molten metal under high pressure into a mold cavity. The mold cavity is created using two hardened tool steel dies which have been machined into shape and work similarly to an injection mold during the process,. most id ecasting are made from non-ferrous metals, specifically zinc, aluminum, and etc.

### Advantage:

- 1.Thinner walls can be cast as compared to sand and permanent mould casting (approximately 0.75 mm or 0.030 in).
2. Inserts can be cast-in (such as threaded inserts, heating elements, and high strength bearing surfaces).
3. Reduces or eliminates secondary machining operations.

### Application:

Automotive, Aerospace, Energy, Electronics,Construction, Engineering, and Medical.

### Company profile:

C&A Industrial Component Ltd. Is a China based manufacturer of custom made metal components, hardware, fittings, valves, PVC products, etc. We have over 20 manufacturing facilities that we collaborate with in China. Manufacturing process: pressure die casting, machining, stamping and etc.

Most of the facility are Certified with ISO9001, TS16949,and etc.

Our manufacturing facilities are located in Zhejiang area and Jiangsu area with a USA sales office for our North American Customers.
